

**INT.
FURNITURE
DESIGN,
AWARD**

2009

Collective Styria presents the International Furniture Design Award for the very first time. We are looking for the best not yet rolled out design idea in the field of furniture design.

(Registration ends on April 17th, 2009)

Competition Topic

What we are looking for is a furniture design object that fulfils the following criteria: It must be full of ideas, sustainable, feasible, imaginative and, last but not least, marketable.

The Award

The winner will be given the opportunity to produce a prototype of his or her award-winning piece of design. In case it is put to commercial use, the winner is granted a share in net sales.

About Collective Styria

The umbrella brand Collective Styria was founded, amongst other things, to further improve the international positioning of Styrian furniture design. Collective Styria is backed by four Styrian companies that have already built up a reputation worldwide for stringent high-quality manufacturing and felicitously blending tradition with up-to-date design: The companies Viteo>Outdoors, Neue Wiener Werkstätte and Kamper und Prödl are jointly making great efforts to put modern design – made in Styria – on the map and to open up new ways of commercial exploitation. www.collectivestyria.com

About Creative Industries Styria

In its capacity as a networking platform Creative Industries Styria acts as interface and coordinator between the members of the umbrella brand Collective Styria. www.cis.at

Terms and Conditions of Entry

Entry is free of charge.

Only entries complying with the requirements specified below will be accepted:

1. The entry must be submitted as a PDF email attachment to info@collectivestyria.com containing a 3D visualization or any other corresponding imagery. Please outline your concept on 1-4 DIN A4 pages and also enclose it as a PDF attachment. Moreover, it is possible to submit multiple entries.
2. Furthermore, full particulars as to measurements and materials used are required.
3. Please enclose a CV featuring your professional development, references and a portfolio of your previous works.
4. There will be no anonymous submission of entries. Yet in order to facilitate processing of entries each object submitted has to be marked with a 6 character code (numbers/letters) of your choice in 24 pt size in the upper right corner (e.g.123ABC).
5. Beside the quality of the layout, the technical feasibility of the proposal – any award-winning entry is to be realized by 2010, is an essential requirement.
6. We only accept very recent and new design layouts.

Entry documents

Please send all your entry documents per email to:
info@collectivestyria.com

Dates

Registration for the competition

Until April 17th, 2009, 17:00 CET

by informal email to info@collectivestyria.com
containing all your contact details

Closing date for your entry documents:

April 30th, 2009, 23:59 CET

at info@collectivestyria.com

All entries coming in later than this date
will be ignored.

All entries will be adjudged in the frame of the
"1st Graz Designmonat" (April 23rd-May 24th)

Terms and Conditions

All rights as to the submitted works remain with their makers – except all image and publication rights. All image and text rights are the property of Collective Styria and Creative Industries Styria. Thus all submitted works can be published, reproduced, disseminated, documented and edited as they see fit.

All entrants hereby state that the layouts they have submitted and all attached imagery do not include any materials that violate or infringe any existing third party copyrights.

The Competition Promoters reserve the right not to award any prize due to the lack of marketable entries. The Competition Promoters are not liable for covering any costs arising from participation in this competition. The Competition Promoters are not obliged to publish an extensive protocol or any submitted works. The Competition Promoters reserve the right to present select projects on www.collectivestyria.com and www.designmonat
