B 1.1 Shops

A gasp of relief went through the ranks of ground floor city shops in Vienna when a fancy idea was born. Shops suffering from vacancy only had to agree on a single compromise to expect full revitalisation: they had to become hotel rooms.

2

C 1.1 street loft

DIE SCHNEIDERIN (eng. Tailoress) is a former tailor shop. Refurbished as a loft its king size bed and customised architecture assure an absolute quiet and comfortable sleep.

d 1.1 fellows

Street **lofts** as habitats for authentic city adventurers. Our breakfast room – the cafe around the corner. Our spa – the hammam next door. Our services – our fellows.

No lobby, but **the city**. The places to be – our fellows. Our hotel is our network.
